Dear Sirs

I have been advised that Sopot wish to bid for the Finn Gold Cup 2017.

In 2014 Sopot hosted the Finn World Master Championship.

There is no doubt that this was one of the most successful Finn Masters Championships.

The organisation from Club Hestia in Sopot was outstanding, Piotr made himself available at any notice and the social side from the club and restaurant ran very smoothly.

The event hosted around 235 sailors with partners, with no drain on the facilities. We were fortunate to have a heat wave during the Championship so the time on the beach was very enjoyable.

Please feel free to contact me direct should you require any further verification.

Yours sincerely
